

## Operational Risk Policy

At Border Express our commitment is to deliver 100%, that commitment encompasses all facets of our organisation and is distilled in practice through our Core Values.

Safety and Health is more than safe equipment, facilities and systems; it extends to ourselves and is demonstrated in our decisions and action. It is core to who we are and what we all do.

We all constantly strive for

- Industry leading Operational Risk performance
- Safe facilities and equipment
- Capable, passionate and safe industry specialists

- Operational Risk programs championed by management but owned by all
- Open and inclusive communication and consultation

- Meeting our obligations and responsibilities under relevant legislation
- The elimination of hazards and reduction of risk
- Plan, with objectives met through the provision of adequate resource

- Sharing operational excellence and learning from each other
- Operational Risk outcomes managed together
- Open dynamic communication with all team members, contractors and customers

- The highest quality training and development for our people through our Engage Nurture Grow Program
- An Operational Risk spirit of continuous improvement.
