How is your business helped by training?

GAVIN ROWELL,
BORDER EXPRESS

You get a skilled labour force out of it. They know their job and what to do and it's reduced incidents and helped with compliance issues.

WENDY COOPER,
MILSPEC MANUFACTURING

It has increased the level of employee engagement and business literacy. It helps their level of understanding of how the business is run and we have a strong continuous improvement focus and it helps with that.

CHRIS HANSEN,
RIVALEA AUSTRALIA

We've been involved in training programs for 15 years and it's the cornerstone of skilled development of our meat processing and farming operations. We average over 100 trainees a year and it's certainly helped with employee retention.
