To whom it may concern,

We would like to take this opportunity to extend our many thanks for your support of the 2011 National Shorthorn Youth Show. This year's show was a great success we had 87 competitors. With ever rising operational costs, the support of sponsors is vital to ensure that our competitors get the chance to take part in such an event.

To see so many youth involved in education and fun activities, as well as learning about the beef industry and being a part of our rural community is amazing. This is only able to happen with the support of sponsors and families that participate.

Thank you again for your valued support and we hope you may be able to assist us again for 2012.

Kind regards
