Dear Mark,

We would like to thank you and the Management and Staff of Border Express, as well as your contract courriers, for the generous donation of transport services to The Smith Family's 2012 Christmas activities. We are so grateful to have the assistance, expertise and management that you provided to facilitate what was a major logistical project.

We would especially like to thank Stephen Brauze, Charles O'Carroll, Mike Cross, Vicky Patterson, Sharon Furey and Richard Speck for all their efforts in arranging and managing our requirements, they were extremely helpful and professional at all times.

Ever since The Smith Family began in 1922 when five businessmen called themselves 'Smith' and gave presents to orphaned children, we have helped to bring joy to Australians in need at Christmas and beyond. While at Christmas we do this through gifts of Toys & Books year round we provide financial and other support to help disadvantaged children and young people get the most out of their education.

We greatly appreciate the generosity of many thousands of individuals and organisations, with your help we were able to distribute to over 12,500 children around Australia. It is an enormous project and The Smith Family couldn't do it without your valuable support.

We hope you enjoyed your role in brightening the Christmas of Australian children and their families, and we look forward to your continuing support in 2013.

Thank you again.

Yours sincerely,

John Van Delft
